The aforementioned data is stored in Google Drive in a folder that can only be accessed by the board.

Sensitive personal data

W.S.Z.V. Aqua has an internal system whereby members can approach a trust person.

Issues requiring additional action from the trust person are recorded in a special file. Its content is approved by the relevant member. Extra action is understood to mean; actually having to intervene in whatever form to resolve the issue presented. Just hearing and discussing the matter is not included. The files are only physically stored, in a closed container in the archive of the association at Thymos.

W.S.Z.V. Aqua processes the following special personal data when registering for activities for which they are necessary:

- Information about your health, such as allergies, which is relevant to the activity.

This data is processed and stored on the website (www.wszvaqua.nl) and / or the Google Drive of the relevant organizing party, which is also accessible to the board at all times.

We collect and process the personal data for the following purposes:

Personal data	Goal	Receivers	Basis
Information about your health, such as allergies, which is relevant to the activity.	Taking dietary requirements, allergies and other health complaints of participants into account during association activities.	All members and alumni of W.S.Z.V. Aqua	Performance of Agreement
Trust person files	The adequate handling of issues presented to a vertrouwenspersoon.	Trust person	Permission

Minors

We only process personal data of minors (people under 16 years of age) if written permission has been given by the parent, carer or legal representative.

Providing personal data to third parties

Personal data is only processed within W.S.Z.V. Aqua, with the following exceptions:

- Participation of members in activities organized by a party other than W.S.Z.V. Aqua;
- At the request of and when obtaining subsidies from institutions such as Thymos, Sports Center de Bongerd and the educational institutions of Wageningen;
- Applying for a board grant and lustrum committee grant (FOS), in which the names and student numbers of members are shared with the grant-providing institution;
- Registration of members who enter into a membership with Waterscouting Musinga-Rijn. This membership is necessary to participate in activities in the waters of Waterscouting Musinga-Rijn. A member can renounce this membership, knowing that this means that you

cannot participate in association activities that take place on the grounds of Waterscouting Musinga-Rijn.

- If the CvA (advisory committee) strictly requires access to assist the board with specific issues. Access will only be enhanced as long as this issue is ongoing and will be withdrawn once the issue has been completed
- Legal obligation. An example of this is that the police request (personal) data from us in the context of an investigation. In such a case, we must cooperate and are therefore obliged to provide this information.

W.S.Z.V. Aqua will not sell, rent, distribute or otherwise make the personal data commercially available to third parties without prior permission. W.S.Z.V. Aqua only provides the personal data to third parties that are minimally necessary for the predetermined purpose, because W.S.Z.V. Aqua strives for minimal data exchange. Where possible, less or no personal data is exchanged.

Imagery conditions

During activities of W.S.Z.V. Aqua audio and video recordings are made of members. Below is a description of how we deal with this.

Website

Photos taken during activities can be uploaded to the W.S.Z.V. Aqua website via Flickr. These photos are protected by an account with a password. Only members and alumni are entitled to access the audio and video recordings. The images of activities are therefore not publicly accessible, but only for members and alumni of WSZV Aqua. Photos are filtered for representativeness before being placed on the website. If you object to the posting of all / specific audio and video recordings on the website on which you are recognizable, you can indicate this to the board by email.

(Social) media

Audio and video recordings can also be used on the (social) media channels of W.S.Z.V. Aqua. Audio and video recordings can also be placed in the weekly newsletter and in the almanac. Both atmospheric photos and personal photos are posted on the (social) media, with or without mention of a name. Photos are filtered for representativeness before being placed on the website. The social media channels are publicly accessible. The photos in the almanac and weekly newsletter are not.

The board or committees can post audio and video recordings on (social) media unless objections have been indicated by the member concerned. If you wish to withdraw permission for the posting of all / specific audio and video recordings on (social) media on which you are recognizable, you can indicate this to the board by email. In the case of (social) media, objections can also be passed on after posting, after which the audio and video recordings will be removed.

Physical Promotion Material

Before placing photos on flyers, posters, leaflets or other physical promotional material, permission is requested from the relevant members.

Use of cookies

We use cookies on the website (www.wszvaqua.nl) so that you remain logged in to the website, collect statistics about the use of the website and for the proper functioning of the website.

Third-party website

You should be aware that WSZV Aqua is not responsible for the privacy statement of other sites, which are available via a link on our website. We recommend that you always consult the privacy statement and disclaimer of that other website when approaching third-party websites via our website.

Retention period

We do not store your personal data longer than necessary. Details of everyone who joins, both members and alumni, will be deleted when processing the deregistration. The deletion of data will take place no later than six months after the latest unsubscribe date (November 30). Exceptions to this are financial data with a legal retention period of seven years and data that are necessary for checking a deregistration if there is uncertainty about this.

Also excluded from this are the audio and video recordings. Image and sound recordings on the public (social) media channels and the W.S.Z.V. Aqua website can remain on these media for an undefined period of time.

The data of the online registration forms for association activities will be deleted within one year after the relevant activity. Retention of this data during this period is necessary for the financial completion of the activities and other financial purposes.

The details of introductory members will be deleted within six months after the introduction period has taken place. Retention of this data during this period is necessary for the financial completion of the activities and other financial purposes.

Special data will be deleted immediately after termination of the membership or when the member concerned requests to delete this data. According to the House Rules, files of trust persons must be immediately destroyed if:

1. The member concerned leaves the association.
2. The accused is found innocent.

Sponsors' data will be deleted within one year after the sponsorship contract expires. Retention of this data during this period is necessary for the financial completion of the sponsorship and other financial purposes.

Right of access, change and deletion

Each member has the right to view and change their data. A member also has the right to be forgotten (right to forget). This is a right for citizens of the European Union to have privacy-sensitive information deleted by processors of personal data.

- If this right is invoked, any membership will be terminated immediately.

- Exceptions to this right are made for debtors of W.S.Z.V. Aqua. They can exercise the right to be forgotten as soon as the debtor has paid the amount due.

You can send a request for access, correction, deletion, data transfer of your personal data or request for cancellation of your consent or objection to the processing of your personal data to wszv.aqua@wur.nl with the title 'Personal data'. We will respond to your request as soon as possible. You also have the right to file a complaint with the Dutch Data Protection Authority. This is the supervisory authority in the field of privacy protection.

If you wish to withdraw the consent given to receive the newsletter, you can do so by unsubscribing via the unsubscribe link in the newsletter.

Data protection

W.S.Z.V. Aqua takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized changes. If you have the impression that your data is not properly secured or there are indications of abuse, please contact the board.

Changes

W.S.Z.V. Aqua reserves the right to make changes to the privacy statement. This must be voted on by means of an GMA. If the privacy statement is amended, we will inform you by e-mail and a message in the newsletter. If you do not agree with the changes, you can cancel your membership.

If you continue to use our services after we post or send notice of our changes to this Privacy Statement, you acknowledge that this means that the collection, use and sharing of your personal information will be covered by the updated Privacy Statement as of the effective date.
